Volunteer Opportunity: Eco-Farm Berlin

Host Organization: GreenFuture NGO
Location: Berlin, Germany
Program Duration: 6 months (Full-time volunteer project)

Role Overview

We are seeking enthusiastic international volunteers to support our community urban farm in Berlin. Responsibilities include soil preparation, organic vegetable gardening, harvesting, and hosting weekend educational workshops for school groups.

Requirements & Profile

- Passion for sustainability, organic farming, or community leadership.
- At least 1 year of hands-on volunteering or teamwork experience.
- Fluent English is required. German language is a plus but not strictly required.
- Strong interpersonal and team collaboration abilities.

Visa & Immigration Requirements

- Candidates from outside the European Union must be eligible for a German National Visa (Volunteer Service / BFD) or a Youth Working Holiday Visa.
- Canadians aged 18-35 are eligible under the Youth Mobility Agreement between Germany and Canada.
- GreenFuture provides official invitation letters and accommodation support.
